MANAGING DIRECTOR'S MESSAGE

M. Umapathi

Chairman & Managing Director
Voltech Group

My hearty wishes to all my customers, staff, workers and well wishers on occasion on the 27th Anniversary of Voltech Group, with a hope that you attain success and blessing with every light that is lit on the day of Diwali.

Our Voltech Group, being a leader in exploring constantly new areas in the field of Electric Power, takes great pride in highlighting some of the major issues that we have gone through in the past six months.

Concentration on quality and Safety improvement being vital to our activities, VOMSP has conducted Safety Awareness and First Aid Training Programmes at their Various O & M Sites.

Symbolizing our global expansion, we have shaken hands with various companies overseas, and this includes our expansion in CIS Countries – Established office at Uzbekistan by VEPL and secondly, appointed Country Manager – Mr. P. Rajashekar to look after American Countries.

In order to improve and expand the business volume in Manufacturing Units, we have focused on Vendor Approvals & Type Tests conducted for our manufacturing range of Products which surely increase our Customer Base in the Industry. Got approvals from National Mineral Development Corporation (NMDC) for Numerical Over Current & Earth Fault Relays.

We feel elated to announce that the Transformer Tank Fabrication Unit will be constructed at our Cheyyar Unit within next 6 month – 1 year. The architecture and appearance of the building itself will mesmerize our customers, apart from its mass quality production.

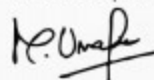

We also have a plan to construct our new factory for Asia Power Electricals Pvt Ltd wherein we have ventured into the Repair & Maintenance of higher capacity Transformers with state of art infrastructure at Vittavidgal near Sriperumbudur Village - Tamil Nadu.

In order to offer some diversion to members of our staff, who are the heart and soul of our Voltech Group, our HR Team organized various events including World Environmental Day, Motivational Programmes, COVID Vaccination camp etc.,

We look forward for many new ventures and endeavors in the days to come. My hearty congratulations for the editorial BOARD MEMBERS OF Voltech Vista for this Half Yearly edition of Vista.

With Regards

Mr.M.Umapathi

INDEPENDENT COMPANY - DOMESTIC 1

Major Orders

BUSINESS UNIT I

(CHENNAI AND SOLAR, BANGALORE AND OIL & GAS, HYDERABAD, WATER AND WIND)

- Successfully received order from M/s. Larsen & Toubro Limited for Athikadavu – Avinasi project valued at **1.209 MINR**
- Successfully received order worth **1.168 MINR** from M/s. Siemens Gamesa Renewable Energy Projects Private Limited
- Successfully received order worth **1.137 MINR** from M/s, Adani Infrastructure Management Services Limited for various solar power plants
- Successfully received order for the value of **2.878 MINR** from M/s Megha Engineering Ltd for Pre commissioning test at 765kV Vinudhunagar site
- Successfully received order worth **3.115 MINR** from M/s Hitachi Energy India Limited, Doddaballapura for Operate & Maintenance of Equipment
- Successfully received order from M/s. Renew Solar Services valued **1.25 MINR** for 50 MW.Kekatpur -MH Project
- Successfully received order from M/s Indian Oil Corporation Ltd to the value of **33.16 MINR** for Electrical Trouble Shooting, Scheme Modification and reliability improvement ,Testing jobs at your IOCL-Paradip Project
- Successfully Received order worth **1.57 MINR** from M/s. Larsen & Toubro Limited, Construction for Providing Electrical & Erection Supervision Manpower at HIAL Expansion Project

BUSINESS UNIT II

(NORTH AND WEST REGIONS)

- Successfully received order from Welspun Metals Limited, Gujarat for **1.215 MINR**
- Successfully received order Larsen & Toubro Limited, Construction to the value of **1.57 MINR** for Roha Verna Konkarn RE Project
- Successfully received order from Tata Projects, Hasur worth **1.79 MINR** for 33kv Switch board
- Successfully received order from Hitachi Energy, Rajasthan to the value of **927000 MINR** for NTPC-Hild project
- Successfully received order from Larsen & Toubro Limited, Construction to the value of **2.329 MINR** for CTP 14 Railway project at Haryana and to the value of **3.044 MINR** for Railway project at Maharashtra
- Successfully received order worth **4.966 MINR** from M/s Siemens Ltd, Data Centre for Pharma city and Chandan Valley project at Hyderabad
- Successfully received order worth **3.777 MINR** with M/s ABB India Ltd, Mumbai for HZL Zawar and RA Projects
- Successfully received order from Larsen & Toubro Limited to the value of **2.382 MINR** for Delhi Airport
- Successfully received order worth **6.025 MINR** with Larsen & Toubro Limited for WDFCC - EMP4 - Railway Project
- Successfully received order from M/s Linxon India Ltd to the value of **2.440 MINR** for PGCIL, Fatehgarh-II
- Successfully received order from Larsen & Toubro Limited to the value of **7.4 MINR** for EMP4 at Rajasthan
- Successfully received order from M/s Siemens Ltd for **1.06 MINR** for doing T&C at GIS 220KV/S Himachal site
- Successfully received order worth **1.160 MINR** from M/s Hitachi Energy for Adani Green Energy/RJ at Reewari/Deoka site
- Successfully received order from Larsen & Toubro Limited, Construction to the value of **2.29 MINR** for Testing and commissioning Activities of Electrical Equipment at TSS SP SSP Locations
- Successfully received order from M/s Linxon India valued **1.04 MINR** for providing T&C services at RVNL(pkg2), Kolkata

BUSINESS UNIT III

HVDC, ETC, EASTERN REGION, CENTRAL REGION & ISRC (INDUSTRIAL SOLUTIONS, REFURBISHMENT AND CONDITIONAL ASSESSMENT)

- Successfully received order worth **1.432 MINR** from M/s Techno Electric & Engineering Co Ltd for PGCIL, Uttar Pradesh site
- Successfully received major order for the value of **8.2 MINR** from Global Engineering Services, Lanjigarh for Testing and commissioning services
- Successfully received order worth **1.611 MINR** from M/s Jindal India Private Limited for Overhauling of HT/LT Switchgear at Angul
- Successfully received consecutive order worth **5.9 MINR** from M/s Tata Steel, BSL for MV/HV BREAKER MAINTENANCE at Duburi
- Successfully received order worth **1.416 MINR** from M/s Angul Energy Limited for Breaker Maintenance at Angul site
- Successfully received order from M/s Haldia Petro Chemicals for the value of **1.575 MINR** for Removing, inspection & testing of Rotors
- Successfully received order worth **2.177 MINR** from M/s GET&D India Ltd for HVDC TCR project
- Successfully received order from M/s Angul Energy Limited to the value of **2 MINR** for Maintenance of LV Breaker at Angul
- Successfully received order from M/s NEELACHAL ISPAT NIGAM LIMITED, DUBURI for the value of **1.468 MINR**

Diagnosis of Generator (rotor) fault at HPL, Haldia

Mr Sudanshu Proprietor of M/s Mahavir Engineering visited our office & our factory

INDEPENDENT COMPANY - DOMESTIC 1

Major Orders

BUSINESS UNIT IV – EPC

- Supply, Erection, Testing & Commissioning of Electrical Equipments & Accessories for Right Bank Main Canal of T.I.P. at ch 12.950 km from Kalna river for Goa Water Board order received from M/s South East Construction Ltd to the value of **39.35 MINR**
- Successfully received order from M/s Larsen & Toubro Construction Ltd for Supply, Erection, Testing & Commissioning of 132 KV Surya WSS - Switchyard Package at Surya Nagar & Kawada, Maharashtra to the value of **25 MINR**
- Successfully received order worth **1.2 MINR** from M/s SM Tower Technology, Chennai for supply of Control & Relay Panel for 110kV Bay Extension Project
- Successfully received order worth **46.2 MINR** from M/s. AFCOTT COTE D'IVOIRE SARL, Abidjan, Ivory Coast, for Supply of Electrical Materials for Process Plant Expansion Project at Ivory Coast, West Africa.

Control Room Building of Dalmia

Major happenings

- Successfully commissioned 3 of out 6 pump house (1.5 thousand million cubic feet – surplus water diversion in Bhavani River) on behalf of M/s Larsen & Toubro Ltd
- Our Engineers Mr N Suresh, Mr D Bharath had received prestigious award 'Engineer of the Week' from M/s Vedanta Ltd for **Completion of Earthing flat Network of Boiler #1, for Restoration of EOT 2 panels without OEM Support**
- Mr Shankar, Project Manager had received award of 'Employee of the month' for **Safe dismantling & shifting of 75 MVA transformer at 132 KV switchyard**
- Successfully completed Design, Supply, Erection, Testing and Commissioning for **addition of 1x132kV Metering Bay at existing 132kV outdoor switchyard for M/s Dalmia Cements (Bharat) Limited, at Jamaladudugu, Kadappa, the plant successfully commissioned.**

Major happenings

We successfully commissioned the addition of one number of 132 kv metering bay extension within a short span of time (only 8 hours) under shutdown at Dalmia Cement Bharath Limited

Our Engineers Mr N Suresh had received prestigious award 'Employee of the Week' from M/s Vedanta Ltd

Our Engineers Mr D Bharath had received prestigious award 'Employee of the Week' from M/s Vedanta Ltd

Prestigious Certificates for Our Engineers from Vedanta for Employees of the week and Employee of the Month

INDEPENDENT COMPANY - DOMESTIC 2

Major Orders

BU I | PROTECTION

- Successfully renewed our Annual Rate Contract for deputation of protection and automation engineers for further 2 years with **M/s.Siemens and M/s.Hitachi with 20% hike from existing rates.**
- Successfully completed the testing and commissioning of Traction protection system in Western Dedicated Freight Corridor project (EMP4 - Rajasthan & Gujarat) for M/s.L&T Limited worth of **2.15MINR**
- Order booked for testing and commissioning of Traction protection system in Eastern Dedicated Freight Corridor project [CP204 – U.P.] for M/s.L&T Inabensa Consortium worth of **1.2 MINR**
- Order booked for testing and commissioning of Traction protection system in Eastern Dedicated Freight Corridor project [CP105 – U.P.] for M/s.L&T Limited worth of **840,000 INR**
- Successfully completed the testing and commissioning of 30MW solar plant at Nawabganj for M/s.Amp Energy India Private Limited worth of **880,000INR.**
- Maiden order from MPPGCL via tender for testing of numerical relays at Shree Singaji Thermal Power Project, Khandwa worth of **850,000 INR**
- Order booked and executed to the tune of **510,000INR** from M/s. Tata Power Solar System Limited for testing of electrical equipment's and relays at 36MW solar plant, Bhatinda.
- Order booked and executed an order worth of **389,000 INR** for M/s. Sembcorp Energy India Limited, Nellore in 10 man days.
- Order booked and executed to a tune of **271,000 INR** from M/s. Archean Chemical Industries Limited for testing and commissioning PMCC board.
- Successfully executed an order worth of **249,000 INR** from M/s.Novozymes South Asia Private Limited for relay setting coordination and testing of relays.
- Successfully executed an order worth of **173,000 INR** from M/s. Archean Chemical Industries Limited for relay setting coordination and HT panel testing in 2 man days.
- Maiden order from M/s.Photon Sunbeam Private Limited worth of **155,000 INR** for testing of relays and electrical equipment's at 2*25MW solar plant, Bhatinda.
- Orderbooked and executed to a tune of **260,000 INR** from M/s. GE Power India Limited for configuration and testing of numerical relays at 2*660MW FGD project, Meja & Hindalco, Lapanga.
- Successfully received consecutive order from M/s. ABB India Limited worth of **148000 INR** for testing of relays and equipment's at Oil India Limited, Dibrugarh.
- Maiden order received from M/s. Inox Air Products worth of **121,000 INR** for testing of numerical relays at their Salem plant.
- Maiden order received from M/s. Globus Spirits Limited for testing of relays at their Behror plant worth of **76,000 INR**
- Maiden order received from M/s.OPGC via tender for testing of relays worth of **76,000 INR**

BU I | AUTOMATION

- Successfully booked several orders and executed from M/s.Siemens worth of **3.8 MINR**
- Successfully commissioned PAS at the following substation for M/s.Siemens Ltd.
 - 400kV/220kV PGCIL substation, Guna.
 - 132kV/33kV UPPTCL substation, Dulahipur.
 - 220kV/33kV UPPTCL substation, Nolda.
 - 66kV Pump house Adhani, Sahibganj.
 - 765kV/400kV/220kV PGCIL substation, Vadodara.
 - 400/220kV PGCIL substation, Bhuj.
 - 765kV/400kV/220kV PGCIL substation, Sioni.
 - 230kV/110kV TANTRANSCO substation, Erode.
 - 33kV/11kV APTRANSCO substation, Tirupati.
 - 220kV/66kV KPTCL GIS, Bangalore.
 - 220kV/66kV KSEB AIS, Chitrapuram.

BU I | AUTOMATION

- Successfully completed the Upgradation of PAS to RTU at **400kV/220kV/132kV Indigrd Substation**, Dimalpur for M/s.Siemens Ltd.
- Successfully completed RTU commissioning at **400kV/230kV/110kV TANTRANSO substation**, Tharamani for M/s.Siemens Ltd.
- Successfully completed the commissioning of RTU at **220kV/66kV KSEB AIS**, Chitrapuram for M/s.Siemens Ltd.
- Our Engineer Mr.Arun Maheshwaran was appreciated by M/s.GETCO and M/s.Siemens for successfully troubleshooting the problem with data transmission at **220kV Barejadi Substation**.
- Successfully completed the commissioning activity of ABB substation automation at **66kV/11kV Brigade GIS for M/s. Siemens Ltd.**

BU II | DIAGNOSTICS

- Successfully received order from M/s. SembCorp Energy India Ltd., worth of **748,000 INR** for diagnostic testing of Transformers and VCBs testing.
- Successfully received order from M/s. Hindalco industries, Mahan worth of **386,000 INR** for Tan delta and DCRM testing.
- Maiden order booked in Rotating machine division worth of **300,000INR** from M/s. MPPGCIL, Bhisinghpur through tender for generator testing.
- Successfully received order from M/s. Hitachi energy ltd worth of **100,000 INR** for Transformer testing at Haldia location
- Received order from M/s. Hitachi energy ltd worth of **117,000 INR** for Transformer testing at Khargpur location
- Successfully received order from M/s. Hitachi energy ltd worth of **234,000 INR** for Dew point testing in Jamnagar location
- First Order received from M/s, Tracks and towers infrastructures Pvt Ltd for Timing and DCRM worth of **286,000 INR**
- Successfully received order for Tan Delta, DCRM and SFRA testing from M/s. Hitachi energy ltd worth of **250,000 INR** in Reewari & deoka location in Rajasthan
- Order received from M/s. DB Power Limited, Raigarh worth of **200,000 INR** for Tan Delta testing
- Order received for Circuit Breaker & Switchyard Equipment Testing from M/s. Somvanshi Solar & Power Consultancy Pvt Ltd worth of **RS. 300,000 INR**
- Successfully received order for VCB testing & Servicing worth of **180,000 INR** from M/s. OPGCL through tender and completed successfully
- Successfully completed Tan delta and Dew point testing for M/s. GE worth of **110,000 INR** at Dibrugarh.
- Received order from M/s. Voith hydro ltd for SFRA testing at Nepal worth of **100,000 INR**
- Successfully received order for Tan delta testing at North Sikkim from M/s. Andritz O&M Pvt ltd worth of **100,000 INR**

BU III | TRAINING

- In a short span of **2 months** we have successfully completed internship training program for **115 candidates from various institutions.**
- Successfully completed on-site training program on test equipment handling, special test kit operation & testing of electrical equipment's for **40 no's of engineers & technicians** of Dedicated Freight Corridor Corporation of India (DFCCIL) at Eastern Dedicated Freight Corridor (EDFC) project, Bihar through M/s. L & T
- A 25-day internship training programme has been provided for 75 candidates from various government institutions – for the value of **700,000 INR**
 - Government College of Engineering, Dharmapuri-25 students
 - Government College of Engineering, Bodinayakanur-25 students
- Government College of Engineering, Bargur -15 students
- Government College of Engineering, Salem -10 students
- Short Intern training program provided for 40 candidates from various institutions for 5 days – for the value of **100,000 INR**
- In-house training on Testing and Commissioning, and Power System Protection, was provided for 53 candidates, including Graduate Training Engineers, Professionals from various companies, for the value of **1.22 MINR**
- Organized industrial visit for **40 no's of Electrical engineering students from P.T.Lee chengalvarayan college** for a day I, V program at VMCL - transformer & switchgear factories.

Major Orders

- LOI Received from **TATA Power Southern Odisha Distribution Limited** Rate Contract for for Supply of 5MVA, 33/11KV Power transformers - 26 Nos.
 - Value of **160.254 MINR**
 - PO Received for 6 Nos. of 5MVA, 33/11KV Power transformers.
- Order Received from **TATA Power Southern Odisha Distribution Limited** Rate Contract for for Supply of 8MVA, 33/11KV Power transformers - 1 No.
 - Value of **8.135 MINR**
- Order Received from **M/s.The Indian Hume pipe Company Limited** for Kusthagi & Kalaburgi Projects
 - Supply of 10MVA, 33/6.6KV Power transformers - 2 nos.
 - Supply of 6.3MVA, 33/6.6KV Power transformers - 2 nos.
 - Supply of 6.5MVA, 33/6.6KV Power transformers - 2 nos.
 - Supply of 160KVA, 33/0.433 Distribution transformers - 6 nos.
 - Value of **51.639 MINR**
- Order Received from **M/s.KEC International Limited** for Supply of 10MVA, 33/11KV Power transformers - 2 Nos. for Burundi Project.
 - value of **22.42 MINR**
- Order Received from **M/s.Fujita Engineering India Private Limited** for Supply of 2.5MVA, 33KV/433V Distribution transformers - 6 Nos. & 1000KVA, 415/210V Distribution Transformer - 3 Nos. for M/s.Daikin Air conditioning India private Limited Project
 - Value of **37.364 MINR**
- Order Received from **M/s.Larsen & Toubro Limited** for National Mineral Development Corporation KIRANDUL- SP-III Projects.
 - Supply of 1.6MVA, 6.6/0.433KV Distribution transformers - 2 nos.
 - Supply of 2.5MVA, 6.6/0.433KV Distribution transformers - 2 nos.
 - Supply of 2 MVA, 6.6/0.433KV Distribution transformers - 6 nos.
 - Supply of 3.2MVA, 6.6/0.690KV Converter duty transformers - 8 nos.
 - Value of **64.9 MINR**
- Order Received from **M/s. Bagmane Developers private Limited** for Supply of 2.5MVA, 11KV/433V Distribution transformers - 4 Nos, for Apollo & Troy Projects
 - Value of **15.104 MINR**

- Order Received from **M/s. GVPR Engineers Limited** for Supply of 9MVA, 66/11KV Power transformers – 2 Nos. for Visvesaraya Jala Nigam Limited Project.
 - Value of **23.203 MINR**
- Order Received from **M/s. GVPR Engineers Limited** for Supply of 7.5MVA, 66/6.6KV Power transformers – 2 Nos. for Sasvehall Project.
 - Value of **18.258 MINR**

Type Test

- We successfully completed IP Type test for Cable box & Marshalling box.

Successfully completed Inspection for M/s. VEPL - Vedanta Project - 2.5MVA/33/6.6KV Power Transformer.

Successfully completed L&T Gangadhar Irrigation Project

Transformer Conservator Rolling Machine (CRM)

The CRM machine is fabricated in our M2 Tank Fabrication Plant –Cheyyar with the guidance of our Operation Director Mr.M.Babu with the team support we make it working successfully for the past few months. This kind of innovative things will help us to gain more knowledge and improves the efficiency of the working peoples and also it will create good opportunity to explore their innovative ideas to simplify the works.

For the CRM innovation we extend our special thanks to our MD Mr. M. UMATHY for his continues encouragement and also we thank our Directors Mr.M.Babu & Mr.R.Adalarasan for their support.

The team who made it success

- Mr.K.Arulmurugan
- Mr.M.Gopinath
- Mr.A.Vilvanathan with his team members

Conservator Inaugurated

Type Test

- 11 kV Transformer Cable box - IP 55 Type test carried out at CPRI bangalore on April 2022
- 33kV Transformer Cable box - IP 55 Type test carried out at CPRI bangalore on April 2022
- Marshalling box IP 55 Type test carried out at CPRI bangalore on April 2022
- LT Distribution Box - IP 54 Type test carried out at CPRI bangalore on April 2022
- 33kV Cable box short circuit 40KA for 0.2sec Type test carried out at CPRI bangalore on August 2022

Subject: Appreciation for Good job done

Dear VTRPL

We really appreciate the VTRPL PSOM03 team for good co-ordination and good job done during the emergency/failure occur on the phase-I Ext project during the revenue service on 08.05.2022. Since it was not in the VTRPL scope by the request VTRPL present to the site (Phase I Ext) and sort out the failure by good co-ordination. It seems to be a quality of VTRPL teamwork.
 We are looking forward to continuing the same and your teamwork will be noted for the appreciation.

With Best Regards
 V. Balasundaram
 Manager-OT

CORPORATE SOCIAL RESPONSIBILITY

BUTTERMILK STALL FOR THE GENERAL PUBLIC

by Voltech Manini Valar Mandram

The peak summer season, locally known as 'kathiri' in Chennai, was at its most punishing in the month of May and June. The maximum temperature peaked to its highest levels in the history of the state, and the flush of heat was unbearable to the common man on the street. With the hot air blowing against the sweltering sun, it was like having your face washed in steaming hot water. The harsh glare of the sun during this period is known as 'kathiri veyil'. Literally translated, it means scissor heat!

To help the citizens cope with the stressful climate, Voltech Manini Valar Mandram, a movement spearheaded by the female staffs of the group, organized a buttermilk stall adjoining the major road here on the Mount Poonamallee High Road area. Throughout South India, spiced buttermilk is the beverage of the season unlike in the North, which prefers the sweeter lassi. Spiced Buttermilk is a concoction that is brewed with mustard seeds, curry leaves and other assorted spices, and is in a class of its own. It is served everywhere during this testing period, from homes to restaurants to marriages, and even in five star hotels. The effect of this beverage is immediate refreshment and hydration, and is

beneficial to the digestive system as well. Enriched with pedas of white butter, this concoction comes with slices of citric fruits, and is served in tall stainless steel tumblers.

This watery, spicy buttermilk was served in the thousands by the VMVM during the entire kathiri period. Explains Mrs. R. Indira, President-VMVM, who was coordinating these efforts, "Spiced Buttermilk is the ultimate thirst quencher. We are serving both the salty variant which is called neer-mooru with ginger juliennes, coriander, and finely chopped onions and also the spicy variant, which is tempered with curry leaves and mustard seeds. It is pleasing to observe the sheer volume of responses that we have received from the general public. By a rough estimate, I would say that we were distributing close to 300 litres of buttermilk every single day. Women, schoolchildren, employees of neighbouring shops and establishments, auto drivers and cabbies, and a whole lot of passers-by on the road have been warming to our efforts over the last month. We are planning a multi-pronged approach next year, seeing this response, to serve a several locations in Chennai in 2020."

Our CMD Mr. M. Umapathi serving spiced buttermilk

Ms. A. Annapoorani, Director - APE serving spiced buttermilk

Passers-by quenching their thirst

Environmental Day Celebrations

World Environment Day was instituted by the United Nations in 1972, as a global call to action to protect our natural surroundings. While it didn't receive much attention in its initial years, it has grown in significance past the millennium. World Environment Day is not observed as a public holiday, but rather as a day for propagating and spreading the message of environmental awareness. Last year was momentous, as India was the host nation, and the theme focused on plastic pollution. The Voltech Group also made stringent commitments to curb plastic menace in all its campuses, offices and factories. These commitments are now fully in effect.

Saplings Planted by
Mr. M. Umamathi - CMD

WORLD
ENVIRONMENT
DAY 2022

Why is the World Environment Day so Important?

It reconnects us to nature: Sometimes we forget just how much natural systems support our own well-being. But we're part of nature, and we depend on it. So today's the perfect occasion to go out and enjoy our country's national parks, and celebrate the vital relationship.

It raises awareness: More and more people are starting to understand that we need to sustainably manage our planet's resources and ecosystems. However, that belief is far from universal. That's why World Environment Day is so important: it creates an occasion to raise awareness and teach friends and family that the physical environment is fragile and indispensable. But before you begin promoting environmental awareness in your own community, make sure that you have a thorough understanding of environmental issues yourself. There's always more to learn!

It encourages us to take action: The environment has become increasingly polluted with contaminants and toxins, and these have a harmful impact on our health. They can cause respiratory diseases and cancers. By raising awareness of the issues with the air that sustains us, World Environment Day inspires us to do something about it and fix the environment we can't live without.

VOLTECH 3-POINT PLAN

Voltech has introduced a 3-point plan for each of its employees, and larger community outreach to do our small part for making the world better, cleaner and safer.

01

Take up a commitment to recycle: The Company uses every possible opportunity to recycle. This extends from basic stationery and office-use plastics right down to industrial components and end-of-lifecycle machinery. Nothing is wasted at Voltech. Nothing is thrown away or discarded without proper treatment. The company has also introduced its employees to take initiatives to reduce, reuse and recycle. Paper waste, food waste and plastic waste segregation measures are also in place to contain environmental damage. Furthermore, this outreach extends all the way to the employees' homes as well as local communities. The company has also started phase-shifting the usage from petrol and diesel to cleaner alternatives, including the use of biodiesel in its power generators and official transport vehicles. These are seen as relatively carbon neutral measures, to reduce the emission of further carbon dioxide to the atmosphere, thereby mitigating the impact of greenhouse gases.

02

Plant a tree: Trees absorb odours and pollutant gases and filter particulates out of the air by trapping them on their leaves and bark. Placed strategically around a single-family home, they can cut air conditioning needs during summer by up to 50 percent. By reducing the energy demand for cooling our home. The Voltech group employees has planted 200 more saplings at factories on June 5th, 2022 and also kept frequent check on the saplings were grown in the factories. The EHS Department took care of this task. The group had also acquired land at various locations in Tamilnadu to treat waste, to convert rubbish and garbage into reusable articles, and to create eco-farms for growing rare flora. These are now being developed as retreats and destinations for eco-tourism and relaxation. The idea is already past the planning stage, and is at various stages of implementation.

03

Encourage Volunteering: Anyone can volunteer, and volunteering can make a difference to the whole community. Voltech has again organized events that prompt people to get out of their comfort zones by volunteering. Volunteer efforts are being channelled through various initiatives as well as reward schemes. It is projected that at some point in the future, it would become a crucial factor in the appraisal schemes as well.

Financial Year Pooja 2021 - 2022 @ Voltech H.O

The new financial year Pooja (2022-2023) was celebrated on April'2022 to celebrate the beginning of a new Financial Year and hence we offer prayers to Lord Ganesha, followed by similar prayers to Goddess Lakshmi before commencing the New Year Book of Accounts. The traditional lamp is lit and the Pooja was performed by our Managing Director during this ceremony. Performing Pooja on new financial year will make our profit keep getting bigger and better than ever. We would come up with new Goals, NEW Balance Sheet, New Customers and new products that makes the upcoming financial (2022-2023) year more profitable.

The Managing Director appreciates all the Heads and employees by mentioning their past achievements and challenges faced. MD gave a brief about the shortfalls faced in the previous year and also shared valuable suggestions to overcome the shortfall in the upcoming financial year. Special appreciation was given to the Heads of each division mentioning the percentage of profit they have achieved compared to the previous year and also has set them target percentage of profit margin to be achieved in the upcoming financial year.

The MD also revealed the upcoming projects that has come on the way, and promised the Heads to provide sufficient resources for the successful completion of the project. MD has also issued funds to all the Heads for the smooth functioning of the division.

As a token of love MD gave Premium pens to all the Directors and gave inspirational speech that invokes all the employees to give their best for the success of the organization. The Ceremony came to closure with spiritual blessings from Lord Ganesh.

75th Independence Day Celebrations

Independence Day is always a proud moment for every Indian to celebrate Independence Day which is celebrated throughout India and every corner of the country on 15th August every year. Independence Day is celebrated by every citizen of India irrespective of caste, creed and religion.

Voltech takes the pride to celebrate **75th Independence Day - Azadi Ka Amrit Mahaotsav** of our Nation in a peaceful and grand manner.

Honorable MD **Mr. M Umapathi, Managing Director** hoisted the National Flag and accepted the salute and guard of honour. Honorable MD has given a motivational speech and told us the importance of the day.

The Independence Day was celebrated with great enthusiasm by all the employees of Voltech group and winded up the celebration by singing National Anthem.

Operations** hoisting the
National Flag at Cheyyar

Vinayaka Chaturthi Celebrations

Vinayaka Chaturthi is one of the widely celebrated Hindu festivals in the country. The blessings of Lord Ganesh are invoked at religious ceremonies. Lord Vinayaka is known as the fortune giver and one who can assist to avoid natural calamities. Celebrating the birth of Lord Vinayaka is known as Vinayaka Chaturthi which falls on August 31, 2022.

Voltech never miss out this occasion to thank Lord Ganesh to shower prosperity throughout the year. Ganesh idol was decorated with flowers and lighted the lamp at the start of the ceremony. Special Pooja shlokas were performed by Honorable MD. Flower, fruits and sweets were distributed to all the employees of Voltech those who attended the Spiritual event.

The pooja ended with the fulfillment of blessings from Lord Ganesh.

COVID Vaccination @ Voltech Eco Tower

In the view of Covid-19 pandemic the Management of Voltech have organized a Vaccination Drive, in order to keep the staffs protected from corona virus. The motto behind this vaccine campaign is to keep our Voltech staffs to stay safe and healthy. Getting a COVID-19 vaccine is an important step to prevent getting sick with COVID-19 disease.

Covid-19 Vaccination programme was organized for the staffs and their family members on 24th August 2022 in the office campus from 10 am to 4 pm in collaboration with Tamilnadu Health Corporation (Poonamalle). Around 109 members were given Covishield / Covaxin Booster as per their vaccination schedule at free of charge. Later on they were asked to follow the suggestions as per doctor's advice. During the campaign all the safety standards are followed.

We take extreme pleasure and happiness on successfully completion of Vaccination Drive. We would like to congratulate all the team members of our organization for their assistance in successfully completion of Vaccination Drive.

Commendable HSE Performance Award From ABB

ABB Business Partner Conference was held On July 21, 2022, in Bangalore. The Process Industries Division Team presided over the meeting, and ABB presented the "Commendable HSE Performance" Award as a token of appreciation for providing service activities that adhered to ABB HSE requirements and successfully delivered projects. Mr. Rohit Sharma - Global HSE Head - ABB, presented the award, received by our Domestic Operations Head and HSE Manager.

**Danger gathers upon our path. We cannot afford -
we have no right - to look back. We must look forward.**

- Winston Churchill

We have received HSE Award from ABB

பெண்ணின் மாற்றம்

பெண்!

சிறக்கும் பொழுது கள்ளி யானுக்காக மாறினாள்,
 வீளையாட்டு பருவத்தில் சுட்டியாய் மாறினாள்,
 இளமை பருவத்தில் தன் தோற்றத்தை மாற்றினாள்,
 கல்யாண பருவத்தில் தன் கணவனுக்காக மாறினாள்,
 தாயான சிறகு தன் பிள்ளைகளுக்காக மாறினாள்,
 மாமியாரான சிறகு தன் மருமகளுக்காக மாறினாள்,
 இறுதியில் வயதான காலத்தில் தன் பேரக் குழந்தைகளுக்காக மாறினாள்,
 சீய்ப்பழ கருவறை முதல் கல்லறை வரை ஒரு பெண் மாறி கொண்டே இருக்கிறாள்,

பெண் என்பவள் மாறுபவள் மட்டும் அல்ல
 நல்ல மாற்றத்தையும் உருவாக்குபவள்.....

இயற்கை

வண்ணத்துப்பூச்சி நேசமோ
 பூக்கள் பூக்களின் நேசமோ
 வாசம் வாசத்தின் நேசமோ
 தேன் தேவின் நேசமோ
 சுவை சுவையை மனதில் அறும்ப வைக்கும்
 உன் ஸ்பரிசமோ...
 என் கைகள் கோர்க்கும் உன் கை...
 உன் பெயரோ இயற்கை...
